

Lifestyle at Lake Eacham

Escape to the jungle with this stunning 5 acre rainforest property featuring spring & seasonal creeks, located in a highly sought after area on the Atherton Tablelands. This unique property is only 2km from Lake Eacham, the crater lake is well known for great swimming and rainforest walks, all within a few minutes drive to the popular townships of Malanda & Yungaburra.

Situated at 800mtrs above sea level & enjoying a plentiful 2400mm of rainfall a year, you will fall in love with the relaxed peaceful existence of sharing a truly wonderful connection with nature.

From the dawn chorus of over 100 species of native birds to the abundant flora you will consider yourself to be one of the special few who have the opportunity to own such a private paradise.

The property will allow you the freedom to expand and build your dream rainforest hideaway while enjoying the benefits and conveniences of the existing resort style, fully air-conditioned studio. The studio features cathedral ceilings and extensive timber joinery including power, phone, broadband, and 10 000 gallon rainwater tank. Inside is compact, practical and tasteful with separate living area, combined kitchen and dining, separate bathroom, upstairs mezzanine bedroom and is thoughtfully designed for storage. Spend the day relaxing on the daybed overlooking the rainforest.

This property is well worth an inspection and offers a very limited opportunity to secure something so unique.
